An Opportunity.
I can start any honest, energetic boy or girl in a pleasant and profitable business if they are willing to do a little work after school hours. For information write Mr. A. R. Stewart,

We make a reality of her dream of a home

Home comfort is the fondest hope of every woman. As a girl she may dream of elegance and luxury, but a few years of married life will teach her that just plain home comfort and attractive home surroundings will work wonders in bringing harmony and happiness into every-day life.

Wealth is not a requisite to this end, nor even any considerable amount of ready money.

We make home comfort possible for people of very moderate means.

Just come into our great home-furnishing store and let us show you how economically all that is necessary can be bought from us. Let us explain our method of selling to prove that you can best afford to buy according to principles that we have spent years in perfecting.

We want to give you home comfort. We want to give you every bit of value that your money can possibly buy. We want to arrange an account so that you can have all the goods desired at once. And we will arrange to make that account payable at such intervals and in such amounts as will suit your circumstances.

Don't get the idea that you are paying an extra price for the help we give. Your own eyes will give you proof that the prices which you find marked in plain figures on every article are no higher than those of cash stores.

Our prices are not fixed according to our estimate of the customer. You needn't ask a price here—read it for yourself on the tag—make your selections without a word about when or how you wish to pay. When your buying is completed we'll arrange the account to your satisfaction.

You may also feel absolutely certain that whatever we sell to you will give satisfactory service, for our personal guarantee means that everything must be right after you have given the test of actual use.

To those who are not interested in the home-furnishing proposition we want to suggest that our stock contains hundreds of the most acceptable Christmas remembrances. Many of your gifts may come from here, and by using an open account you will have no call for an immediate outlay of cash.
